

NAESB OASIS Subcommittee Motions
Preemption and Competition

#	Motion
1	A valid challenger must be pre-confirmed.
2	A valid challenger must be for a fixed capacity over the term of the request.
3	Duration shall be the time interval between the start date and time and the end date and time of a request or reservation.
4	Submission of leading and/or trailing 0 MW profile segments in an initial request for service will be considered invalid.
5	A valid competition must be able to grant the full requested service (capacity and duration) to the challenger.
6	A short term competition will only be considered valid and initiated if the challenger can be granted in full at the requested capacity and duration based on preemption of lower priority reservations exclusive of all defenders exercising their ROFR. Scenario Page 1 and Motion 6
7	Rescind motion 5
8	The ROFR competition matching process should be completed before the earlier of the scheduling deadline for the Defender(s) or the conditional window closes. FAILED
9	Confirmed capacity cannot be taken away after the start of the unconditional window. (The unconditional window(s) will be discussed and decided at a later date) FAILED
10	Confirmed Firm capacity cannot be taken away by preemption or competition after the Conditional Reservation Deadline (unconditional window begins) as defined in the pro forma OATT, section 13.2 (iii). Scenario Page 6
11	Redirect on a Firm basis shall be treated as any other ORIGINAL reservation and subject to preemption and competition on its own merit and afforded ROFR based on the nature of the challenging request. Conditionality of the Redirect on a Firm basis reservation shall be based on the service and term of the Redirect on a Firm basis reservation. Redirect Page 1
12	Redirect on a Non-Firm basis shall be subject to preemption without ROFR as required to meet the needs of any challenging request. Preemption of Redirect on a Non-Firm basis shall be treated in the same manner as a customer initiated RELINQUISH and will restore scheduling rights and capacity available to redirect on the parent Firm reservation. Redirect Page 2
13	The request to exercise ROFR (REQUEST_TYPE MATCHING) shall be processed in OASIS, upon confirmation, in such a manner that the Defending Reservation shall be modified as required to <u>incorporate</u> the attributes of service, term and capacity of the customer's request to exercise ROFR. Redirect Page 4
14	Resale reservations shall not be considered as eligible defenders to meet the requirements for granting a challenging request. The capacity resold shall be considered as still held by the original reservation for service from the Transmission Provider and subject to preemption and competition under the terms of the original reservation.
