

# Sustainable Transmission that is Available and Reliable (STAR)

TIPSC

Cathy Ehli

VP, Transmission Marketing and Sales

May 8, 2012

# STAR

- NERC ATC Modeling, Data and Analysis (MOD) Standards
  - Effective April 1, 2011
  - Apply to 0-13 month period
  - Annual recertification led to self-reports of non-compliance with certain standard provisions
- STAR program
  - Improve oversight and management of potential standard violations
  - Evaluate and propose improvements to BPA's ATC processes for an ATC future state
