

Comments of Southern California Edison: Committed Scheduling for 2014-2015 Rate Period, Version 1

Southern California Edison (SCE) appreciates the opportunity to comment on Committed Scheduling Version 1, Business Practice. If you have any questions, please contact: John Zoida, (626)302-3336, john.zoida@sce.com

F. Schedule Accuracy Metrics

Comments:

Add the following sentence in Section F.1.b.:

"In the event BPA does not update the average value within one minute of H-x:30 or within one minute of H-x:00, BPA will exclude the respective schedule interval from the scheduling accuracy metrics."

Add the following sentence in Section F.2.b.:

"In the event BPA does not update the average value within one minute of H-x:30, BPA will exclude the respective schedule interval from the scheduling accuracy metrics."
